

## APAC DEMO PROGRAM – 2014 VER. 2

# Demonstration Equipment Program

NST: 2013-11-109300 (Not for Resale)

Polycom's Demo Equipment program allows channel partners to purchase demo products at a discount to effectively demonstrate the value of Polycom solutions for their customers.

"Demo equipment" are those eligible Polycom products that Polycom makes available for purchase by its channel partners at an additional discount above the standard product discount. Polycom may add or delete specific products from the available list of demo equipment at any time without notice.

Generally, demo equipment will include systems, but not accessories unless they are offered as a separate part number. Demo equipment may only be used at the channel partner's business location or demonstration centers. Demo equipment may not be resold or leased for at least one year from purchase, with the exception of software demo products which cannot be resold or made available for a lease at anytime.

### Executive Briefings

An Executive Briefing is a powerful and persuasive sales tool and one of Polycom's most important sales resources. When you partner with the Polycom Executive Experience Center (EEC) team, we share and understand a customer's unique challenges, collaborating to deliver a tailored briefing that secures and strengthens a long-term relationship with customers and partners.

The Polycom Executive Experience Centers and Solution Centers offer business and enterprise customers a special opportunity to experience one-to-one time with Polycom executives and subject matter experts to identify real-world business and technology strategies applicable to their business challenges.

To set up a one-of-a-kind briefing, contact your Polycom Account Manager, e-mail us at [ebcinfo@polycom.com](mailto:ebcinfo@polycom.com) or contact us at 1-800 Polycom (800-765-9266), option 1

For a map of EEC and Solution Center locations, go to <http://www.polycom.com/company/ebc/index.html>.

## Polycom Global Services

Channel Partners are required to purchase a Polycom Service Agreement when purchasing a video, infrastructure, or Polycom VVX 1500 demo unit.\* Polycom Service Agreements for demo products may be purchased at 50% off. For Polycom maintenance, the promotional price is 50% off of MSRP. For partner service, the promotional price is 50% off the net price after standard contractual discount is applied (e.g. partner service price has \$1000 MSRP and 40% contractual discount. Net price after contractual discount is \$600. Promotional discount of 50% is applied, and final price is \$300.) Refer to NST 2013-01-93089.

1. Channel Partners can also purchase Service Agreements for existing demo equipment already in use at their demo facilities when originally purchased through this Demo and Equipment Certification Program.
2. When older demo equipment is sold by a partner to End User, the service contract will NOT transfer to the End User. A new contract will be required to cover the equipment. Partners will be eligible for credit of unused portion of maintenance contract towards contracts on new demo units.

\*Polycom or Partner Branded

## Polycom Financial Services

Would you like to optimise the use of your working capital and minimise the upfront investment normally associated with acquiring capital assets such demonstration or lab equipment? Then you should be considering leasing or rental models!

Polycom CAPITAL has a variety of attractive financing options to help your business maximise its sales effectiveness by making it easier to acquire the latest demonstration equipment. For example, by using a rental model you could obtain \$25,000 worth of equipment for as little as \$749 per month over 36 months!

Terms and conditions apply. Subject to restrictions and availability across the region. For details contact your Polycom Channel Account Manager or email [PolycomcapitalAP@polycom.com](mailto:PolycomcapitalAP@polycom.com).

Polycom demonstration equipment obtained through a Polycom CAPITAL lease is subject to the terms and conditions of the Demo Equipment Program; the equipment may not be resold or leased during the term of the lease without the express agreement of the leasing company; software products obtained through the demonstration program cannot be resold or leased at anytime and are only available for full payout lease.

## Terms and Conditions

1. This NST 2013-11-109300 is available Jan 1, 2014 through Dec 19, 2014.
2. When purchasing Demo Products, channel partners must complete a Demo Equipment Processing Form (see program document), and submit to Polycom order management along with a purchase order.
3. Demo Equipment orders must be new orders placed by a channel partner to Polycom (cannot convert an existing order or take from inventory).
4. Maintenance Services are required on the Group, Resource Manager and Access Director systems associated with this promotional offer. The Demo Services program NST is applicable and offers partners a 50% discount off Polycom Premier and Partner Premier Services (as explained above) associated with these solutions. Refer to NST: 2013-01-93089 on the order to Polycom for these services.
5. Demo equipment cannot be pulled from inventory.
6. Demo Equipment may be shipped from refurbished stock when available.
7. Demo Equipment purchases for infrastructure and video endpoints are limited to one (1) unit per product line per demo facility, Phones are limited to five (5) per product per demo facility.
8. All products in a particular category may not be eligible for demo discount.
9. To be eligible to purchase Demo Equipment, channel partners must have applied to become a Certified Polycom Channel Partner or already be certified and in good financial standing with Polycom.
10. Polycom reserves the right to audit channel partner demo facilities to ensure compliance with certification program guidelines.
11. Demo discounts may not be combined with any other Polycom offers and purchases of Demo Equipment will not be eligible for additional incentive rebates.
12. Demo equipment resold or made available for lease after one year must be sold with an approved service contract. Software products cannot be resold or leased at any time.
13. NST 2013-11-109300 must be included on all Sales Orders for this promotion.
14. Polycom reserves the right to modify or terminate this Demo Equipment Program at any time without notice.
15. This Program provides for an incremental discount off the Polycom MSRP but only in respect of the Demo Equipment. All other products are not to be eligible for a demo discount. Volume incentive discount and certification discount (if applicable) shall not apply to purchases of Demo Equipment. Purchases of Demo Equipment shall also not accrue towards the Volume Incentive Discount.
